Small Miracles Preschool Mission Statement

The mission of Small Miracles Preschool is to provide quality early childhood education and care. We seek to provide a safe environment in which young children feel respected, loved, and valued while nurturing their capacity to grow socially, emotionally, intellectually, and spiritually. We strive to deepen children's commitment to positive social values such as kindness, helpfulness, and respect for others.

As a ministry of Woodridge United Methodist Church, a Christian community of faith, we gladly accept and welcome children and families of all faith backgrounds. We do not discriminate on the basis of race, color, religion, sex, gender, national origin, disability, economic status, or cultural background.

About Small Miracles Preschool

The School

Small Miracles Preschool is a non-for-profit educational ministry of Woodridge United Methodist Church. The Preschool is licensed by the State Department of Children and Family Services (DCFS) and is relicensed every three years. The Preschool is also inspected yearly by a representative of the state and local fire departments, the county health department and the Department of Children and Family Services (DCFS). Small Miracles Preschool is an inclusion environment providing a planned program centered on the age and developmental needs of the children. Each child is provided opportunities to develop with age appropriate peers.

Philosophy

Small Miracles Preschool offers a warm, friendly, positive learning environment where each child is seen as an individual. We will provide a variety of activities, which will encourage learning and growth in the areas most important to the development of young children. Group and individual activities that are designed to enhance social, emotional, cognitive and physical development, as well as promote independence, will be implemented. Children experience so much growth and development during the preschool years, we believe that a lifetime of learning begins at Small Miracles Preschool.

Religion

We believe in providing a variety of experiences and opportunities for the children so they may grow and develop both socially and individually with the knowledge that they are valued and have unique God-given talents and skills. Discussions about generally observed Christian holidays will be held, but no structured day-to-day Bible study or theology will be taught. Christian values (thoughtfulness, sharing, the importance of self-worth, confidence, etc.) will be experienced and encouraged in an informal way. Grace will be said before snacks, and Christian pictures may be hung in the classroom and hallways.

The Staff

The Small Miracles Preschool staff consists of a full-time Director/Teacher as well as Teachers and other support staff. There will be 2 teachers assigned in each class session. All staffing is based on enrollment needs and state requirements. Staff members have been chosen for their ability to relate and communicate with young children as individuals.

The staff participates in a continuous program of in-service education in order to remain aware of the ever-changing needs of today's children and families and to the findings of current research as required by DCFS. If you have concerns or need assistance in obtaining information or resource materials, please feel free to ask. If the teacher/director is unable to assist, please contact a board member.

Registration

An \$85.00, **non-refundable**, registration fee is required for 1st time registration. Returning students will pay an annual **non-refundable** registration fee of \$50.00. The second child from the same family will pay a \$50.00, non-refundable, registration fee. This fee is to hold your child's space in the program and is due at the time of registration each year.

Tuition

A tuition envelope will be sent home with your child at the beginning of each month. Payment must be made by check or money order, we cannot accept cash. **Tuition is due upon receipt of the envelope.** If payment is not received by the 10th of the month, a \$15.00 late fee will be assessed unless prior arrangements have been made. If your check is returned for any reason other than a bank error, a \$30.00 fee will be assessed as well as any additional bank fees the school is charged. If a check is returned more than once, the Preschool Board may require tuition be paid by money order for the remainder of the school year. ***The yearly tuition is figured on an annual basis, no deductions can be made for holidays, absences, or vacations.*** At the discretion of the Preschool Board, if tuition is not received by the 20th of the month, your child may not attend until your tuition is brought current.

Tuition Discounts

The first option you have to receive a discount on your tuition is if you pay your tuition in full at the beginning of the school year (September due date), you will receive a discount of ½ month's tuition off your annual total. (Tuition x 9 – ½ month = discounted annual tuition). The second discount is applied if more than one child is enrolled per family. Full monthly tuition is paid for the first child and each additional child will be discounted 10% monthly. The third discount is applied to Woodridge United Methodist church members. This discount is also 10% off your monthly tuition.

Yearly, Paid in Full Discounted Tuition Amounts

(must be paid in September)

Prekindergarten \$1742.50

4's & 3-4's \$1470.50

3's \$1003.00

Admission/Dismissal

All children, regardless of ethnic background, religious affiliation, or special challenges are welcome. A child may be accepted for admission at any time during the month, with tuition prorated for that month. Necessary enrollment forms must be completed and submitted within 10 days of admission. Every attempt is made to meet each child's individual needs. However, if a child shows an inability to benefit from the type of care offered at the preschool after all areas of guidance have been employed, or if his/her presence is detrimental to the group, the child shall be discharged from the preschool (no tuition refund will be given).

At the time enrollment is terminated, the director and the child's parents will discuss other education options that would better meet their child's needs. This may include referrals to other agencies or facilities.

Preparation for the First Day!

Help your child have a happy first day of school – be positive!
Your own apprehension will be sensed quickly.

Each child should have a school bag/backpack no smaller than 12" x 15" for carrying "mail" to/from preschool.

Talk to your child about school activities that they might enjoy (painting, block building, play dough, gluing, dress-ups, puzzles, snacks, making new friends).

Use the teacher's name frequently so your child becomes familiar with it. If you know other children who will also be attending Small Miracles Preschool, perhaps you can invite them over to play. Plan your schedule so your child can be rested, unhurried, and relaxed before the first day of school. Provide a nutritious breakfast on the first day, and every other day. Be confident your child will go to school happy and have a good time.

Sample Daily Schedule

Table Time

Puzzles, coloring, play dough, social skills, library, quiet time and making choices.

Circle Time

Calendar, weather, singing, following directions, cooperation, participating in group experience, memory skills, letter and number recognition, patterning, graphing.

Center Time

Variety of activities to build small motor skills, sharing, creativity, following directions, and self-expression.

Story Time

Listening and cognitive skills, self-control, following directions.

Snack Time

Self-help skill, social skills, table manners, saying a prayer.

Outdoor Play/ Large Motor

Fine and large motor skills, social interaction, listening skills.

School Closings/Inclement Weather

Class sessions and holidays will follow the Woodridge School District 68 calendar year. If **Woodridge Public School District 68** is closed because of inclement weather, the Preschool will also be closed. The preschool reserves the right to cancel classes due to extreme weather conditions or building related problems. Tuition **will not** be refunded for cancelled classes due to weather or building related problems. Please check the District 68 website for closing information. School closing information can also be found/heard on these stations: **WGN 720, WBBM 780, WLS 890AM**. If other emergencies arise which make it necessary to close the Preschool, you will be notified by a phone call or email.

Parent Information

Release of Personal Information Policy

All information is confidential. Personal information will not be released to any person or institution without written consent of the parent/guardian.

Clothing

Mark any removable clothing (i.e. jackets, sweaters, boots, hats, gloves or mittens) with your child's name/initials. The health department does not allow children to share personal clothing items. Please keep a complete set of clothes, including socks, in a zip-lock bag in your child's backpack/school bag in case of an accident.

Snack Time

Snack time is a wonderful time to encourage self help skills, language development, manners and social skills. A prayer will be said each day before snack. You will be asked to provide snack and juice for the week that your child is the "*Star of the Week*". A schedule will come home at the beginning of the school year listing the week that your child will be the "star". The week before your child is the star and snack person you will receive the snack bag with detailed instructions, snack idea's and allergy restrictions, we are a **PEANUT/TREE NUT FREE SCHOOL**. **No snacks which contain nuts or indicate that they were manufactured in a plant using nuts will be served in the school.** If a snack is sent to school that does not mean these guidelines it will be sent home.

Peanut & Tree Nut Free School Policy

We recognize that food allergies can cause serious, life threatening conditions for some children. To keep all our children safe, Small Miracles Preschool will aim to eliminate those foods that have been determined to cause allergic reactions in some children. We cannot guarantee a completely nut-free environment since other activities are sometimes held in the preschool classrooms outside of school hours. **We will, however, maintain a no-nut environment in our classrooms during preschool hours.**

Potty Training

Children are not required to be completely potty trained at the beginning of the school year in September. We at Small Miracles Preschool realize that not every child learns at the same rate. Even children who are completely potty trained have occasional accidents, however, if your child consistently has accidents at school, you will be called to come in and change them. If you are having trouble with potty training, please advise the teachers they may be able to provide tips that may be helpful in achieving this goal.

Supply List

In order to keep our tuition cost down, Parents are asked to donate the items listed below. Because we have limited storage space the list has been divided by class. Please refer to the list below to determine the supplies you are asked to bring. If you are in the first group please bring the supplies to the Parent Orientation Night. If you are unable to attend Parent Orientation Night, please bring the supplies to the Preschool Office the second week of school. **Please do not bring the supplies on the first day of school.**

Birthdays

Birthdays are special and we love to celebrate them! The teacher will give your child a paper crown to wear at school and take home. The class will sing happy birthday at snack time. If you would like to send something for your child to share with his classmate you may do so but it is not necessary. We strongly suggest sending a non-food item. Some ideas are; stickers, coloring pages that you can print from your computer, sidewalk chalk, pencils, bubbles...If you choose to bring a snack to share, to be in compliance with DCFS rules, it must be commercially packaged and unopened. Also, we are a peanut & tree nut-free school. Some children in your child's class may have other allergies as well so check with your child's teacher, in advance, to find out if there are any allergy restrictions in the class. Another way to recognize your child's birthday at school is by donating a new book, to the school library. A label will be printed noting your child's name and birthday. Teachers are not allowed to pass out birthday party invitations to children, please make other arrangements for their delivery.

Class Parties

Special class parties are planned throughout the year, such as: Halloween, Christmas, Valentine's Day, and the Year-End party. Parents will be notified of these parties through the newsletter. Sign-up sheets will also be posted on the bulletin board, near your child's classroom, requesting donations of napkins, cups, juice and goodies.

Parent Involvement

Parent's help is welcome. Parents are encouraged to share their talents or skills with the class. Children are pleased to have you at the school. Talk to the director if you are interested in sharing a special talent.

Fundraisers

Small Miracles Preschool will hold 2-4 fundraisers a year. These fundraisers will be determined at a later date. Money raised will be used to maintain the equipment (toys, playground) and keep tuition costs down.

Emergency Procedures

Fire and disaster drills will be performed with the children on a monthly basis as required by DCFS. Disaster/Tornado drills will be done twice a year (Fall and Spring). A floor plan is posted in each

classroom indicating primary exit routes. We maintain records of dates and times drills are conducted.

Picture Day

A professional photographer will visit the preschool in the fall. Each class will have a group photo taken. Parents may choose to also have individual photos taken of their child. Both individual and group photos may be purchased. Siblings are also welcome to have their picture taken. More information will be sent home prior to the photographer's visit.

Use of Photos & Videos

Photos and videos are periodically taken of the children during classroom activities and special events at Small Miracles Preschool. These photos/videos may be used for Small Miracles Preschool publications, social media, website, and/or local newspapers. If for any reason you do not want your child's picture used, please notify the preschool office in writing.

Field Trips

We will have several in-school field trips during the school year. Permission slips will be sent home to you when a field trip is scheduled. Parents and siblings are invited to attend.

Student Needs

Indoor Dress

Dress your child in comfortable clothing so that he/she is able to participate in all activities, from games in the gym to painting at the easel. Children will be required to wear an art smock, and every effort will be made to protect your child's clothing. Accidents WILL happen, so please select your child's clothing accordingly.

Outdoor Dress

We will play outside when the weather permits, so please dress your child accordingly. On days your child wears boots to school, *please make sure they have a pair of shoes or slippers to wear inside the classroom.* During the winter, children may be asked in advance to wear boots and snow pants to play on the playground. Children without boots and/or snow pants may need to stay in the office.

Food & Candy

Children are NOT allowed to bring food, candy, soda and gum are into the classrooms.

Personal Belongings

Please explain to your child that their toys need to stay at home and that when they are at school, they play with the preschool toys. While we do not encourage toys being brought to preschool, comfort objects—teddy bears, blankets, etc. - may be brought if needed. Please be sure they have your child's name on them. We are not responsible for broken/lost toys/objects. Guns, ropes, knives, action figures and other toys, which encourage rough and violent play, **should not** be brought to school.

Cubbies

Each child will be assigned a cubbie for their coat and backpack located in the preschool hallway outside their classroom. Please assist your child in learning where their cubbie is and how to hang up their own coat and backpack. Please take any papers that are in your child's cubbie at the beginning of class.

Backpack

Children will need a large backpack with their name written on it. (It can be written on the inside.) Please be sure that the backpack is large enough to accommodate an extra set of clothing, large paintings, projects, books, etc. This backpack should be sent with your child daily.

Home/Preschool Communications

Changes at home do affect a child's behavior at school. Please share any information that will make us more sensitive to your child's needs. Any information regarding special needs, whether physical or medical, should be on file, in writing, and include any medication or therapy your child may require. **All information is confidential.**

Newsletters and Monthly Calendars

Newsletters and calendars are emailed home. A newsletter is sent at the start of each unit/theme. The newsletter includes the theme, activities, songs and stories. Special events and happenings will also be listed as well as posted on the Parent board, located at the north entrance of the building.

Visitors

Parents are always welcome to observe the classroom. You may view the classroom from the one-way viewing window in the hallway. However, if you would like to visit in the classroom, please talk to your child's teacher to set up a date and time.

Parent Teacher Conferences

If you or the preschool staff needs to discuss your child, a mutually convenient conference date will be set for this purpose. The school will be closed for 2 days in February for conferences to discuss your child's progress. Sign-up sheets will be posted prior to conference dates.

Arrival/Departure Procedures (Share these instructions with anyone drop off or pick up your child.)

When bringing your child to school please enter through the North preschool door at the back of the church. Children **must** be escorted into the building by an adult. The exterior door is locked 15-20 minutes after class begins.

Please do not bring your child more than 5 minutes before class begins. Time before classes is used for staff meetings and class preparation.

Parents should not stay longer than 5 minutes at arrival time. Socializing is encouraged amongst parents, however to avoid delaying the start time of class; please conduct the socializing away from the classrooms. This makes it is easier for the teachers to settle the children into the classroom routine. If you need to talk, at length with the teachers, please contact the teacher or director, and a time will be scheduled.

Upon departure, to assist with traffic flow, please enter the preschool parking lot from the **SOUTH side** of the church property and all cars will line-up at the north door facing **EAST**. The children will be escorted out to the car. Once your child has been brought out please turn off your car, meet your child and secure them in their safety seat. Small Miracles Preschool staff **cannot** open your car door or place your child in your car.

For the safety of your child and others please follow the arrival/departure procedures listed above and the following safety rules:

- Always make sure a staff member is aware of your child's arrival/departure.
- Please do not leave your car until your child has been brought out or you are pulled up **next** to the building. Leaving your car while in the pickup line and walking to the door delays dismissal.
- **Do not pull around the car stopped in the pickup line!** This is for everyone's safety! A child can dart out from between the cars. **Please be courteous to others in line**, some people may be picking up more than one child, not familiar with our procedure or simply may need more time to secure their child.

- At no time **shall any children remain in your car unattended while you drop-off/pick-up** your preschooler. Leaving a child unattended in a vehicle is considered neglect by the state of Illinois. If you have a special circumstances please discuss it with the director and we will work with you to make other arrangements.

All children must be picked up within 15 minutes of the end of class time. If a child has not been picked up by 11:30 for the AM classes or 2:45 for the PM classes, we will begin calling all names listed on his/her emergency card. Two attempts will be made to try and reach the parents or one of the emergency contacts. If after one hour parents and/or other authorized emergency persons have not picked up the child, we will contact the authorities. For the protection and well being of the child, the teacher or Director will stay at school with the child until the parents or outside authorities arrive. At no time will the staff member hold the child responsible for the situation.

Your Child's Health

Your child's health is a matter of major importance to all of us. Out of consideration for the other children, their families, and the teachers, please keep your child at home (and phone the preschool to advise us) if your child has symptoms of illness. We need to report any contagious illnesses to the health department. **Please let us know why your child will not be attending school when he/she is reported ill.** Small Miracles Preschool abides by DCFS guidelines, which are as follows:

Children should stay home if they have any of the following symptoms:

- an oral temperature of over 99.6°
- your child should be fever free for 24 hours
- diarrhea or vomiting
- heavy nasal discharge
- a persistent cough, runny nose or earache
- any undiagnosed rash, unless a note from the doctor says it is safe to attend
- head lice

Children with contagious illnesses should be on prescription medication for 24 hours before returning to school and be fever free for 24 hours.

If your child becomes ill at preschool, we will contact you or a designated emergency person, for immediate pick-up of your child. **The Preschool must have a number that you or an emergency contact can be reached at when your child is attending school.** This can and should include your cell phone number, pager, home and/or work numbers. **We must be able to reach you should there be an emergency.** If your child has a minor accident at preschool that produces a very minor injury (small lump, bruise, cut that does not require stitches), actions such as washing the wound and applying a band-aid will be taken to comfort your child.

If there is an emergency situation, we will contact you or the person you have designated on your enrollment form. We will call the Lisle/Woodridge Fire District for emergency service. Parents are responsible for the emergency medical charges/transportation upon receipt of the statement from the doctor, clinic, hospital, and ambulance service.

Maintenance medication will be given if you provide the medication in a container showing your child's name, date, physician's name, instructions, and whether or not it needs refrigeration. A medicine authorization form must be signed and renewed with any new medication. The person administering the dosage will initial the authorization form and indicate the time each dose was given. If your child should have any allergies, please list them on the enrollment information sheet and submit along with a written note from your child's doctor indicating such allergies and any dietary restrictions. Please report any changes or new information in writing. If your child needs to be excused from any normal activity, we must have the information in writing.

Behavioral Management

Small Miracles Preschool, to be in compliance with the Department of Children and Family Services, has adopted the following policy to deal with aggressive behavior. This policy was established to protect all children, including the child exhibiting the aggressive behavior:

If a child has three documented aggressive behaviors in one calendar year, the child may be asked to withdrawal from the program. Tuition for the remainder of the month will not be refunded. An incident report will be sent home if a child displays negative physical aggressive behavior such as hitting, shoving, punching and/or biting. Verbal aggression, such as name calling or swearing, may also be included in an incident report. Below are the steps Small Miracles Preschool will follow should your child show aggressive behavior at school.

First Occurrence:

An incident report will be sent home, and the teacher will speak to the parent regarding the child's behavior per phone call or short end of the day conference. Teachers and parents will discuss situations that arise that may trigger a child to react in this manner. A plan will be agreed upon by teachers and parents to monitor the child to prevent that child from being in situations that can result in this aggressive behavior. The teacher will also help to show the child a way to deal with the situation in a positive manner while here at Small Miracles Preschool. Parents are expected to discuss the matter at home with their child and discuss different choices for behavior. Discussion will also include any changes or situations that may be going on in the child's regular schedule.

Second Occurrence:

After the second incident report has been sent home, the Director will ask for a scheduled conference that must include the teachers, director, parents and possibly the child. The conference will be held to find ways in which we can work together for the benefit of the child and the group of children of which he/she is a part. After the conference the teachers will try the ideas in the classroom that were agreed upon. Working together as a team will benefit the child in learning to gain control over his/her own behavior. At this time the severity of the problem will be pointed out and realization that if another incident report is filed, the child may be asked to leave the program.

Third Occurrence:

After the third incident report has been sent home, the Director must take into consideration the needs and safety of the other children and staff in the program. Some children do not adapt well to a large group setting. These children may need a smaller group setting to meet their individual needs. At this point the Director and teachers will meet with the parents to discuss alternative care options. If improvements have been documented/noticed, the teachers and Director may decide to continue to work with the child. If this occurs, a follow-up conference date will be set to reevaluate the situation and discuss whether progress continues to be made.

If after any of the occurrences, 1st, 2nd, 3rd, the teacher feels at any time the behavior/situation warrants, parents may be called to come and pick up their child immediately for the remainder of the day. Tuition for the day will not be refunded.

Integrated Pest Management Policy

It is the policy of Small Miracles Preschool to implement and practice Integrated Pest Management (IPM) to control pests in the building and minimize the exposure of students, faculty, and staff to pesticides. Illinois state law requires licensed childcare facilities to practice IPM indoors and to notify all parents and staff prior to pesticide application (See Notification). According to the law, if pesticides are applied, they may not be applied in the presence of children; toys and other items mouthed by children. Children and mouthed items must be removed prior to spraying and children may not re-enter the treated area for at least two hours or as long as is stated on the product label.

Pests

It is the policy of Small Miracles Preschool to control pests in the facility. Pests can pose hazards to human health, damage property, and disrupt learning.

Pesticides

It is the policy of Small Miracles Preschool to minimize potential exposure to pesticides in the indoor environment. Exposure to pesticides can pose a health risk to students, staff, and others, which can be minimized by practicing IPM. Regularly scheduled applications of pesticides are not permitted under this IPM policy.

Integrated Pest Management (IPM) program at Small Miracles Preschool includes the following:

- Regular monitoring to identify pest problems.
- Preventative actions to reduce future pest problems.
- Preference for the use of non-chemical control methods to address pest problems.
- When necessary, the use of the least-hazardous chemical controls will be used after non-chemical control methods have been applied and failed.

IPM Coordinator: Brenda Hoppestad, Director, or a Woodridge United Methodist Trustee is designated as the IPM Coordinator. They are responsible for overseeing pest control of the facility.

Notification: If a pesticide application is deemed necessary by the IPM Coordinator, parents and staff will be notified in writing at least 2 business days and no more than thirty days prior to the pesticide application (antimicrobial agents and insecticide and rodenticide baits are exempt from notification).

Contractors: Any contractor hired by the facility to provide pest control or other services must comply with this IPM and notification policy and should be knowledgeable about the IPM in Childcare Law (PA#93-0381) and use of IPM for structural pest control. Contractors must refrain from routine pesticide spraying, provide detailed service reports with each visit and give recommendations for pest prevention.

I have read and understand the Small Miracles Preschool policies stated in the Parent Handbook. I agree to abide by these policies and work with the staff to ensure my child's continued success in the Preschool Programs.
